AGENTS WANTED —FOR OUR— SUBSCRIPTION BIBLES.

We have gotten up and offer one of the finest *Quarto Family Bibles* ever offered for sale in the South. This *Bible* is bound and put up in eight different styles, containing a short *Illustrated History* of the *different books* of the *Bible*; also an *Illustrated Pronouncing Dictionary and Concordance*, together with all the valuable tables usually found in the best editions. We want an agent in every county in the South to sell these *Bibles*, and guarantee them to give entire satisfaction in every particular. Our terms will be as liberal as any other house, North or South. Send for circulars and terms.

REMARKS.

Our line of publications comprises many valuable and popular books such as only have to be examined to be desired. An active agent, who can give his time and thought to the sale of books, can, in almost any locality, sell enough to compensate him handsomely for his services, and have the satisfaction of knowing that he is doing a good work—one that will have its influence on generations to come.

TERMS OF SALE.

Many who wish to sell books write us that they want to buy on time, and some that they wish to sell on commission. Neither of these requests can we comply with. In reference to the latter plan, we have learned from long experience and observation, that it will not do; and as to the former, selling books on time, if we were ever so willing, we have not the means to do business in that way. We are under the necessity of selling for cash, in order to buy stocks and pay for labor in publishing books, that we may be able to supply the demand.

SUGGESTIONS.

To those who desire to sell our books, as colporteurs or depositary agents, who have not the money to buy with, we would say, ordinarily there are many good brethren in each county, who, in order to help in this good work, would be willing to lend five, ten, or twenty dollars, thus making up a fund for the purchase and circulation of good, sound, religious literature; the profit made on the books would pay the salary of an efficient colporteur, and thus supply the people in the surrounding country, and when the work is done, let the money be returned to those who loaned it.

HOW TO REMIT MONEY.

Remittances made by bank checks, postoffice money-orders, express or in registered letters, are at our risk; otherwise not.

AGENTS WANTED.

Any one who has the desire to do good, and at the same time make 33 to 50 per cent., can send and get one of our descriptive Catalogues, make out an order for \$25, \$50, or \$100 worth of our books, and send the same, with the money, and we will return the books as directed, at a discount from our catalogue prices that will enable them to realize a profit of from forty to fifty per cent., and sell our publications at the same prices that we retail them.

2. Read and adopted the following :

REPORT ON SABBATH SCHOOLS.

Dear brethren there are a few churches in our Association which feel a great interest in Sabbath-schools. There is a very interesting Sabbath-school at Columbia, superintended by brother John T. Davis. One at Hebron, superintended by brother Wm. H. Granberry. One at Shorterville, B. A. Fowler, superintendent. One at Jadson, J. W. Malone, superintendent, and one at Sardis

While these few churches are taking some interest in Sabbath-schools, there are many that sleep over the moral education of the children of this Association. While every other denomination are spreading their sectarian doctrine and so educating the world as much as they can, we who hold the true doctrine of the Bible, are asleep to the great truths God has committed to our keeping. Wake up brethren to your duties, and begin to teach the world the truths of the Bible. Begin around your fire-side—in the streets—on the highways and in your churches. Meet every Sabbath morning, old and young, male and female, there to teach and be taught. There teach from the Bible, its doctrines, that the truth may be planted in the minds of the young, that it may grow up with them. By this we drive out heresy and have a sound church. Sound members, and our children grow up sound in the faith of the Bible, which is the faith of the Baptist Church. All of which is submitted,

Committee. { E. M. KNOWLES,
A. L. MARTIN,
Z. KNOWLES.

3. Report on Nominations was called for, read, and on motion laid on the table.

4. Read and adopted the following :

REPORT ON DOCUMENTS.

The Committee on Documents make the following report:

On examination of the documents coming up through the delegates from the churches, while we regret the state of Zion at the present time, yet we do earnestly believe that God who works all things after the councils of his will, is only using this as a means for the purpose of punishing his children, and as a trial of their faith. We find that the letter from the Pleasant Grove Church contains a petition, asking your body to hold its next session with that church. Your Committee recommend that the body meet with that church, Oct., 1876.

Dear brethren we believe that every brother composing this Association, ought to take some religious organ.

We recommend "The Baptist" published by brother Graves, as the organ of this body, also the Baptist Psalmist as a good work and recommend our Brethren to purchase and use that work.

Committee. { A. F. SPANTON,
J. H. DAVIS,
P. D. SANDERS.

5. Moved and carried that the next Session of this Association be held with Pleasant Grove Church.

6. Bro. J. T. Davis, read, and the body adopted the following

REPORT ON MISSIONS.

We the Committee appointed at the last meeting of your body to compile a report on Missions to be read at the present term, find our work rather a difficult one, from the fact, that the Association seems to be engaged in no direct mission labors, either at home or abroad.

It is true, your body at its last session resolved to set on foot a plan of evangelical work within the limits of the Association, and by subsequent action empowered the Executive Committee to put the plan in execution by employing one or more evangelists to visit the various churches and instruct them in the great principles of those doctrines which we advocate.

While we acknowledge this movement as both an opportune and worthy one, yet we cannot feel that we are discharging our whole duty as Missionary Baptists, so long as we stand aloof and withhold our support both from Home and Foreign Missions, or we might more appropriately say, so long as we fail directly to support by labor and means both Home and Foreign Missions. If we persist in our present course as an Association, it cannot be long before we must merit just cause of centure from our brethren in other fields. Our minutes show that we have no destitution in our own bounds where we might employ the labor of a missionary. But we must know there are many other fields both in this and foreign lands that are already white for the harvests. While we may continue in our evangelical work with a hope of the best results therefrom. Yet if we lose sight of missionary work when taken in its true sense, there is great danger in our becoming careless and lukewarm in the great cause of our Master. In conclusion, we would suggest and recommend that your body by motion or otherwise making a strong appeal to the several churches, through their respective delegates here assembled, to send up a special contribution for missions, at the next annual meeting of the Association, to be disposed of and applied as the wisdom of the body may determine. All of which is respectfully submitted.

Committee { JOHN T. DAVIS,
F. M. BUNKER.

Pending the adoption of the above report, the body was addressed on the subject of missions, by bretheren Sims, Martin, Malone, and Davis.

7. Adopted the following:

REPORT ON DECEASED MINISTERS.

Your Committee on Deceased Ministers ask to submit the following report:

We are called on to lament the death of brother P. Belcher, an ordained and aged minister of our Association. While it saddens our hearts to reflect on the

vacancy which his death has caused in our midst, yet it impresses us with the solemn though precious truth, that God will sooner or later call his elect home. We are also called on to report the death of brother W. B. Hopkins, a licentiate. Brother Hopkins was devoted to the cause of his Redeemer. Although we mourn his loss, yet we enjoy the strongest hopes that he has gone to the reward of the righteous. Respectfully submitted,

Committee. { J. T. DAVIS,
 J. C. SKIPPER,
 B. A. FORRESTER.

[The date of brother Belcher, his baptism, ordination and death not being furnished the Clerk, is the reason of the omission.]

8. Read and adopted the following:

REPORT OF THE EXECUTIVE COMMITTEE.

At the last session of your body a motion prevailed to procure the service of an Evangelist to canvass the entire field of the Judson Association, and preach and indoctrinate the several chuches in the great and important truths which we advocate as the true church of Christ on earth. By subsequent motion of your body the whole matter of putting this evangelical plan into execution, by procuring the service of an evangelist, was referred to the Executive Committee. In order to discharge our duty promptly, and thereby carry out the intention of the Association, your Committee held a regular session with Judson Church on Saturday before the 5th Sabbath in November of last year, and after a free and full discussion of the matter before us, adopted the following plan, believ-ing it would give the most general satisfaction and result in the greatest good, viz:

To procure the service of brother L. R. Sims, to labor in the 1st and 2nd districts, and brother E. M. Knowles, in the 3rd district. Brother Sims, was to devote one-fourth of his time (embracing one Sabbath in each month) to this work, and receive for his services two hundred dollars.

Brother E. M. Knowles, was to devote one-fourth of his time to this work, and received for his services one hundred dollars.

The Association will at once see that the Committee had not the means at their control to employ the services of an Evangelist for the whole time which would have been the better plan.

Brother Sims reports to us that he has not been able to devote as much time and labor to the Evangelical work as we had a right to expect of him under the contract. But it gives us much pleasure to say that he reports most of the churches growing in strength as to the prominent doctrine embraced in our articles of faith, and that our ministers are becoming more impressed with their duty to preach the whole truth as it is in Christ Jesus, and to boldly teach and defend the doctrine of our church. Brother Sims further reports having preached 40 sermons and traveled 502 miles while engaged in this work, and feels confident that good results will follow his labors.

Brother Knowles reports in a similar manner as brother Sims, in regard to

the time and labor devoted to the work assigned him, and we regret to learn that he is not so sanguine as to any spiritual growth in the membership of the churches. Brother Knowles further reports having preached 28 sermons in the 3rd District while laboring as an Evangelist.

Your Committee is firmly impressed with the fact, that if the above named brethren could have faithfully carried out the letter and spirit of the contract as made with them, that the best of results would have followed therefrom.

In view of a partial failure, both on the part of brother Sims and brother Knowles, to carry out their contract, we recommend that the original contract be cancelled, and in lieu thereof, that the Treasurer be instructed to pay brother Sims, the sum of one hundred and thirty-five dollars, inclusive of the amount already received by him under the original contract. And that Treasurer be instructed to pay brother Knowles the sum of fifty two dollars and fifty cents inclusive of the amount already received by him under the said contract. The Treasurer's report will show and explain the amounts mentioned above as having been received by the respected brethren. Respectfully submitted,

JOHN T. DAVIS,
Committee. { J. W. MALONE,
A. B. FOWLER.

9. Read and adopted the following:

CIRCULAR LETTER.

SUBJECT CHRISTIAN HUMILITY—"And be clothed with humility," 1st Peter, 5: 5.

The Apostle has placed this exhortation in the midst of several others, as their immediate and primary source. In fact none of the Christian duties can be performed properly without it. Humility does not consist in mere words, or in speaking degradingly of ourselves, but in thinking soberly of ourselves as we ought to think. The greatest and best of men think and speak of themselves with the deepest abasement, saying with the Centurian, "Lord, I am not worthy that thou shouldest come under my roof," and with Paul, "unto me who am less than the least of all Saints." If humility be considered in reference to the objects with which it is conversant, we shall see its nature and effects. Humility as it relates to God is that state of mind by which we may lie low before him. It is right that every being should occupy his proper place. The proper place for us as mortals is in the dust. In all our dealings with God for salvation, it becomes us to seek it as utterly unworthy; and as the gift of grace. To come as guilty without a plea to offer on our behalf, except what arises from the blood of the cross.

Christian humility may be seen in its effects with regard to men. Pride disposes persons to think themselves of great consequence among men, and that the upper seat becomes them. Too much of this spirit appeared in the disciples of our Lord in the early part of their profession. "And there were strifes among them, who should be greatest in the Kingdom." But humility will render us meek and lowly in heart, and dispose us to think more highly of others than ourselves. Humility may be considered as to the circumstances in which we are placed. If rich in the world, humility will make us feel for the poor,

and destitute. If we are poor and low in the world, humility will make us content with our station in life. Humility is that state of mind which causes every one to know his proper place, whether master or servant, parents, or children. Humility is the greatest ornament of a christian character. To be clothed with humility, is to be beautified with salvation. Humility is a grace which all admire, both religious and profane, and was one of the principal excellencies in the character of our blessed Lord. Humility is most friendly to a growth in grace, and advancement in true holiness. "He resisteth the proud, but giveth grace to the humble." Humility, makes room for other grace to grow and thrive. Humility, empties us of self, that we may be filled with the fulness of God. Humility is favorable to communion with God. "The Lord is nigh them that are of a broken heart, and dwells with such as are of a contrite spirit." Pride on the contrary, can have no fellowship with him. Humility engages him on our side; while the self-sufficient are left to their own weakness.

Dear brethren, let these considerations reconcile us to all the ills of this life. Ever looking unto Jesus as our sufficient strength in time of trouble. Yea all of you be subject one to another, *and be clothed with humility.*

The above written and read by brother Wm. A. Cumbie.

11. On motion the report on Nominations, was taken up and a motion to *amend*, by making the Executive a standing Committee, was concurred in.

Some of the letters say nothing about money for minutes, and as the Finance report only gives the total amount for minutes, the Clerk will be at some loss how to distribute.

MRS. MAYFIELD'S HAPPY HOME

FOR 1876.

THIS MONTHLY MAGAZINE FOR LADIES has already taken a high stand in the South. It is acknowledged to be superior to many of the old and long established Monthlies of the North. The literature with which it is filled is sound and moral in its tone. It is fresh, sprightly and pure. Any wife or daughter may read it, not only with perfect safety, but with great advantage. It will be lasting good to any family. **It is now a Permanent Institution of the South**, and will soon enter upon the second year of its prosperous history. It is now demonstrated that the Southern people **WILL** support their own Magazine.

HAPPY HOME

will be filled with Choice Stories. Essays, Poetry, Letters, Editorials and talks on the Fashions. The tone of all the literature will be purely moral and elevated. And we shall illustrate the Magazine profusely with

Fine Cuts and with Fashion Plates.

We shall always try to keep up with the Fashions.

OUR CLUB RATES

Are very attractive and liberal. The premiums given to those who get up clubs are really splendid. And then we give a **LARGE AND BEAUTIFUL CHROMO** to every subscriber. We will not say that it is worth \$15, as some of the Magazines say of the premiums they offer. This would be false. But we can truly say that it is the finest picture we have ever seen offered as a premium to any Magazine.

We want some one in every town and neighborhood to get up a club; we want the help and sympathy of every Southern worker and writer. The Magazine, including postage, is **Only Three Dollars per Annum**—just what the Chromo would cost if bought in a picture store. ~~and~~ Send for sample copy, price twenty-five cents, and get club rates, and see style of work, Address,

Mrs. Mayfield's Happy Home,
361 Main Street, MEMPHIS, TENN.

THE Southern Farmer

On and after December 1st, 1875, the **SOUTHERN FARMER** will be issued **WEEKLY**, in a Six-column Quarto Newspaper form, thus giving its readers *forty-eight columns of matter*. Each number will contain the usual amount of Agricultural matter, besides an equal amount of choice family reading, *giving double the amount of matter* that has heretofore been given in each number—and this, too, **WEEKLY instead of SEMI-MONTHLY**.

TERMS (Postage included) :

Single Subscriber,	\$2.50.	Clubs of Five,	\$2.00.
Clubs of Ten,	: 1.75.	Twenty, Upwards,	1.50.

Each subscriber paying the full price, \$2.50, will receive a splendid agricultural chromo. Address, **SOUTHERN FARMER CO., Memphis, Tenn.**

Southern Baptist Publication Society, Memphis, Tenn.
